In today's world, "Corporate America" is frequently labeled as not being environmentally friendly, but we at TLC know that is not always the case! Many businesses realize the benefits of and the need to preserve, protect and be good stewards of our environment within their communities.

"We were already active members of TLC when we... [became] a business member...you are part of a great group of local companies who care about their community and you get great exposure through TLC's many unique and exciting events. We are proud to be part of the movement."

-Kevin Quinlan, Logical Living Fresh Express
