Teacher/Naturalist Job Description

Qualifications:

The Teacher/Naturalist is one of the public faces of The Land Conservancy for Southern Chester County (TLC), and he/she will conduct education and outreach, as well as increase visibility in the community. A strong background in environmental education and natural history is required; however, the most important attributes are genuine excitement for TLC and our mission and a 'can-do' attitude. Strong written and platform communication skills are vital since the Teacher/Naturalist may be asked to represent TLC at public functions/programs throughout the year. Applicants should have first aid certification.

Duties:

The position is 75% teaching and 25% program creation. The Teacher/Naturalist will be TLC's principle liaison with the public. He/she will organize outreach programs and promote opportunities for TLC's environmental educational programs. Specifically:

- Teach TLC environmental education programs year-round for a variety of age groups and levels.
- Increase on-site programming, by creating new and implementing ongoing environmental education programs, including guided hikes, parent/child programs, stewardship courses, citizen science projects, Pennsylvania Master Naturalist alumni events, etc.
- Serve as a goodwill ambassador for TLC in the community.

Position:

The Teacher/Naturalist is an Independent Contractor

Hourly: Competitive hourly rate commensurate with experience
